

# Winter Rinse Away

## Removes ice melter chemical from carpets and floors

A concentrated detergent to neutralize all salts etc. that accumulate during winter. A cleaner with the ability to attack winter hazards.

### Recommendations

For routine winter use add 1 part Winter Rinse Away to 40 parts water (25 mL per 1 litre of water.) Mop daily. For heavy film add 1 part Winter Rinse Away to 30 parts of cool water (35 mL per 1 litre of water.) Apply mixed solution liberally with mop, allow to soak for a few minutes. Now wring out mop and pick up dissolved ice melt.

Can also be used in automatic scrubbers.

For ice melt and rock salt in carpets add 1 part Winter Rinse Away to 20 parts of water (50 mL per 1 litre of water).

Code	Size	Special notes
34770	4 x 3.78 L/case
